**DETAILED ACTION**

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

In response to this requirement, please provide answers to each of the following interrogatories eliciting factual information:

In response to this requirement, please provide copies of each publication which any of the applicants authored or co-authored and which describe the disclosed subject matter of the method of claim 41.

In response to this requirement, please provide copies of each publication found in trade journals, white papers or newspapers which describe the disclosed subject matter of the method of claim 41.

In response to this requirement, please provide the names of any products or services that have been identified by the applicant as incorporating the subject matter of claim 41.

In response to this requirement, please provide the names of conferences that have been identified by the applicant as incorporating the subject matter of claim 41

In response to this requirement, please provide the title, citation and copy of each publication that any of the applicants relied upon to develop the disclosed subject matter that describes the applicant's invention, particularly as to developing claim 1 and the results of any due diligence performed by the assignee regarding the marketability of the invention of claim 41.

Art Unit: 3693

For each publication, please provide a concise explanation of the reliance placed on that publication in the development of the disclosed subject matter.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of two months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
